Education

National Certificate in Mechanical Engineering Technology (Level 1), (Level 2), & (Level 3), Western Institute of Technology, New Plymouth

FEBRUARY 2017 – NOVEMBER 2019

During my time at Witt, I studied engineering: welding, fabrication, and mathematics. I Received the most improved student in 2018.

NCEA (Level 1), & (Level 2), Inglewood High School

FEBRUARY 2017 – DECEMBER 2019

Completed a health and safety course and received my first-aid certificate.

Received excellence awards for Physical Education, and Computer Science in 2017 and 2018.

Employment History

Junior Developer, Codification

SEPTEMBER 2020 – DECEMBER 2020

I worked as a contract freelance front-end web developer on UpWork completing work on the codification.io & bootcamp.codification.io website.

Hammer Hand, Hassall Homes, New Plymouth

SEPTEMBER 2019 – AUGUST 2020

Worked as a hammer hand, building residential homes with Hassall Homes in Taranaki.

Nursery Help, Caves Plant Nursery

APRIL 2019 – JUNE 2019

Working outdoors in a nursery digging up plants, selling and distributing them to buyers during the school holidays.

Work Experience, Arimatec Enviromental

JANUARY 2019 – DECEMBER 2019

Started unpaid work experience at Arimatec Environmental from January - April every Monday. Working with chemicals, making and producing fiberglass used for carbon filters.

Customer Service, The Warehouse, New Plymouth

FEBRUARY 2018 – SEPTEMBER 2018

As part of my gateway program for Inglewood High School, I was completing work experience in a customer service checkout role at The Warehouse in New Plymouth.
